

WISHING YOU
PEACE , JOY AND INCLUSION
EVERYDAY OF THE COMING YEAR.

As the year draws to an end, we'd like to take a moment to give thanks to all our volunteers, family support network, staff and donors for contributing to the SOSG mission and cause. We also want to show gratitude to the very special group of people whom we serve, our athletes, for showing us the spirit of resilience and positivity no matter what life brings.

In 2021, we look forward to resuming more activities and initiatives to continue strengthening our mission and empowering the athletes to achieve greater success!

From all of us at SOSG, we wish you a safe and happy holiday season!

ALPS Amazing Race Edition | Dec 2020

Wrapping up the year by team bonding with the helpful and spontaneous youth leaders from Best Buddies NUS.

On 12 Dec 2020, our latest batch of athlete leaders finally had the chance to meet fellow teammates in person at the Botanic Garden. Athlete leaders were teamed up with Youth leaders keeping within the Covid-19 restrictions. In total, we had 9 teams setting out for their assigned mission on differing routes and timings.

Each team upon checking at the designated spot, reported to their team facilitators via whatsapp to get their mission as well as next check point upon completion of the tasks given.

Through this fun filled event, our athletes , youth leaders as well as SOSG staff members had the opportunity to bond with one another whilst hitting their daily steps target!

This is just the beginning for the 2020/21 batch of Athlete leaders to becoming more confident and outspoken as they practice their social interaction and communication skills throughout the curriculum of ALP.

We would like to offer our appreciation to all our 28 volunteers and their teacher from St. Anthony's Canossian Secondary School! They initiated to take on this project to plan the activities and programme for our Young Athletes. Leading up to this, we had two practise sessions over two Saturdays.
